Lesson Title: This is the Day that the Lord has made

Bible Verse: Psalm 118:24  This is the day the Lord has made; let us rejoice and be glad in it.

We have learned that God made the sun and the moon and the stars and that He made them to divide and mark the days and nights. (Gen. 1:14) That is how God made every day. Some days are very special. Can you think of some special days? (Christmas, a holiday, a birthday; Talk about some of the special days in your calendar year and allow children to share about some special events in their days.)

A special day can be in the summer or the winter.

Maybe you think that this is not your special day. Maybe it is someone else’s special day.

But God made all the days. He wants us to be thankful for every one of them.

Did you know that God knows about you every day? He knows what you are doing, (Psalm 139) He knows where you are and He knows what you need. He loves you and He cares about you every day.

That is what makes every day special.
