Lesson Number: 3 of 4

Lesson Title: God Made People

Bible Verse: Genesis 2:7; The Lord God formed the man from the dust of the ground and breathed into his nostrils the breath of life, and the man became a living being.

(Use a felt board to tell this story. Before class, prepare a number of felt cutouts of people, animals and plants.)

Gen.2; After God made the trees and flowers and animals, (allow children to suggest some of the things that God made. Have children place some of the shapes on the felt board), He made something very special.

He took some clay and made a person from it.

Then He breathed into the person and made him come alive.

God put the man into a beautiful garden and said to him, “I want you to look after this place and all these creatures.”

Then one night when Adam was asleep, God took one of Adam’s ribs and made it into a woman. (Gen.2:21&22). The woman’s name was Eve. God made her to be Adam’s friend and helper.

God gave the Adam and Eve things to do.

Together, the man and the woman took care of the garden and the animals. God brought the animals to Adam and gave the animals names. God talked with Adam every day and Adam talked with God.

God made each of us too and He gives us things to do. My job is to teach children about God’s love.

God gives mommies and daddies the job of looking after their children.

God will give each of you something to do too. Do you think we should find out what that is?

Right now your job might be to be an obedient child and to do what your mommy or daddy ask?

PRAYER

Thank you God, You gave me life. Help me live for you!
